Report of the Financial Statements

We have audited the accompanying financial statements of VisionTrust International, Inc., which comprise the statements of financial position as of December 31, 2012 and 2011 and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Board of Directors
VisionTrust International, Inc.
Colorado Springs, Colorado

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of VisionTrust International, Inc., as of December 31, 2012 and 2011, and the changes in its net assets and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Notes to Financial Statements

December 31, 2012 and 2011

1. NATURE OF ORGANIZATION:

VisionTrust International, Inc. (VisionTrust) is a nonprofit organization exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code (the Code) and is not a private foundation under Section 509(a) of the Code. VisionTrust is primarily supported by contributions from churches and individuals.

The mission of VisionTrust is to develop orphaned and neglected children into mature Christians equipped to live in their own culture. They do this by enabling Christian nationals to meet the physical, educational, emotional and spiritual needs of these children through orphanages and schools. VisionTrust has a sponsorship program that allows individuals to contribute money on a monthly basis to provide the resources that the Christian nationals require to meet the needs of children. VisionTrust also sends teams of individuals to various locations to do things such as teach children Bible lessons or build and repair buildings.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The financial statements of VisionTrust included amounts received from, and disbursed to, field activities in the Dominican Republic, Myanmar, India, Central African Republic, Thailand, Peru, Brazil, Guatemala, Tanzania, Cambodia, Zimbabwe, Togo, Haiti, Malawi, Sierra Leone, and Liberia. VisionTrust receives timely reporting from each of these fields related to the use of funds received from VisionTrust.

VisionTrust maintains its accounts and prepares its financial statements on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures of any contingent assets and liabilities at the date of the financial statements, and the reported revenues and expenses during the reporting period. Actual results could differ from the estimates. The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

CASH

Cash consists of balances in checking and money market accounts. These accounts may, at times, exceed federally insured limits. VisionTrust has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash.

PROPERTY AND EQUIPMENT—NET

Property and equipment—net is stated at cost, or if donated, at the fair market value on the date of the gift. VisionTrust capitalizes all fixed assets greater than \$1,000. Depreciation is computed on the straight-line basis over estimated useful lives of three years for computer equipment, five years for furniture and vehicles, and thirty years for buildings.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

CLASSES OF NET ASSETS

The financial statements report amounts separately by classes of net assets as follows:

Unrestricted net assets represent those net assets whose use is not restricted by the donors; however, their use may be limited by board designation. Included in unrestricted net assets are resources that are used to support current operations, including property and equipment. Board designated amounts are not available to management for operations.

Temporarily restricted net assets are comprised of donor-restricted contributions for the support of various projects.

UNCERTAIN TAX POSITIONS

The financial statement effects of a tax position taken or expected to be taken are recognized in the financial statements when it is more likely than not, based on the technical merits, that the position will be sustained upon examination. Interest and penalties, if any, are included in expenses in the statement of activities. As of December 31, 2012, VTI had no uncertain tax positions that qualify for recognition or disclosure in the financial statements.

VisionTrust's federal Exempt Organization Business Income Tax Return Form 990 and Exempt Organization Business Income Tax Return Form 990T for the years ended December 31, 2011, 2010, and 2009 are subject to examination by the IRS, generally for three years after they were filed.

SUPPORT, REVENUE, AND EXPENSES

Contributions are recorded when made, which may be when cash and other assets are received or unconditionally promised. Those contributions postmarked by December 31, 2012, are recorded as contributions and cash rather than promises to give. Gifts of cash and other assets that are restricted by the donor for a specific purpose are recorded as support in the temporarily restricted class of net assets until a stipulated time restriction ends or the funds have been expended and incurred by VisionTrust for the purpose restriction specified. Upon satisfaction of the restriction, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from purpose restrictions. Donations that are restricted for programs, except child sponsorship, are assessed an administrative charge of 15%. Donated assets are recorded at their fair market value on the date of donation.

Foundational grants are received by VisionTrust and recorded as contributions. These grants are recorded as temporarily restricted or unrestricted based on any stated purpose by the foundation.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

SUPPORT, REVENUE, AND EXPENSES, continued:

VisionTrust recognizes contributed services that create or enhance non-financial assets or that require specialized skills, are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation. These services provided to VisionTrust include time donated by medical, dental, and technology professionals and have been recorded at fair value and were valued at \$147,933 and \$151,677 for the years ended December 31, 2012 and 2011. Contributed goods and services also include clothing, medical supplies, and other items donated to VisionTrust and were valued at \$206,357 and \$340,946 for the years ended December 31, 2012 and 2011, respectively. These items are recorded as expense when transferred to the fields.

Expenses are reported when costs are incurred.

FUNCTIONAL ALLOCATION OF EXPENSES

The costs of providing the various programs and supporting activities of the organization have been summarized on a functional basis in the statements of activities. Accordingly, certain costs such as depreciation and payroll have been allocated among the program services and supporting activities benefited.
